The Ministry of The Ark Bible Institute

The Ark Bible Institute of BMFP, Inc. is an affiliate of Berean International Bible Institute. We believe that proper training in Biblical studies is not only necessary for success in ministry, but necessary for our personal life as well. At AMBI, we provide Biblical teaching toward certificates and diplomas, with classes recognized on the national level in Christian institutions of higher education.

Our prayer for each student is that you will be:

- Enabled to preach and teach the Word of God in Knowledge and Truth.
- Encouraged in your personal walk with the Lord Jesus Christ.
- Encompassed with the teaching of God's Word as found in II Timothy 2:15.

May God bless you in your life for Him!

In Christ,

Terry King
AMBI Administrator
